### **Freelance Photographers**

Below is a list of freelance photographers recommended by the Office of Marketing and Communications. These photographers are all registered as USA vendors and have previously provided photography services to USA.

Offices needing photography services are responsible for contacting and contracting with freelance photographers, who will bill your department directly at a rate of \$100 per hour, inclusive of setup, breakdown and editing time. It is highly recommended that each office assign a contact person to guide the photographer in taking appropriate images at your event. Photographers will supply digital images directly to the client.

The Office of Marketing and Communications can recommend photographers for specialty photography (architecture, portrait, photo illustration, etc.). These photographers may charge an inclusive day-rate. Contact us at [MarComm@southalabama.edu](mailto:MarComm@southalabama.edu) for information.
